Chapter 2

Entrepreneurs and Entrepreneurial Competencies

Lesson 1

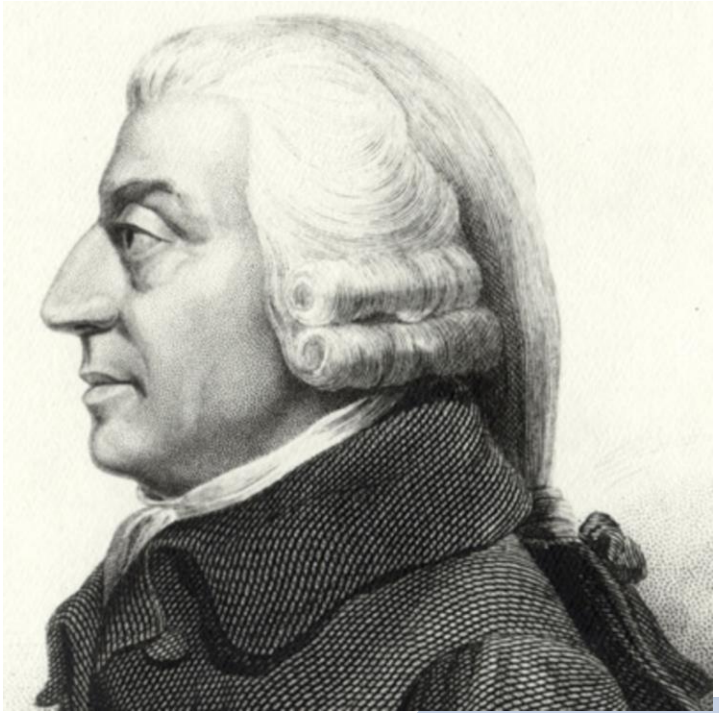

CONCEPTS OF ENTREPRENEURS TODAY

At the end of this session, the students will be able to:

- *know concepts of entrepreneurs from different perspective,*
- *examine personal characteristics that will be needed in entrepreneurship,*
- *identify differences between past and today in entrepreneurial dimension.*

From an economist:

someone who brings resources, labor, materials and other assets; one who introduces changes, innovations and a new order.

From a psychologist:

a person typically driven by certain forces such as the need to obtain or attain something, to experiment, to accomplish or perhaps to escape the authority of others

From a management's perspective:

someone who identifies opportunities, plans, mobilizes resources, manages and assumes the risks of a business.

21st century is considered as the entrepreneurial era

SlidesCarnival icons are editable shapes.

This means that you can:

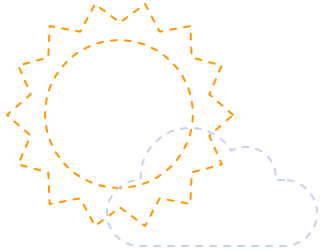

- Resize them without losing quality.
- Change line color, width and style.

Isn't that nice? :)

Examples:

Now you can use any emoji as an icon!
And of course it resizes without losing quality and you can change the color.
